commence DTV operations on Channel 48 in Bloomington, Indiana. Once a construction permit is granted, Tribune Holdings will either commence constructing new DTV facilities for WTTV or modify its existing DTV STA facilities to operate on channel 48, subject to its ability to secure any necessary equipment from its vendors and schedule time with a tower crew. Tribune Holdings is currently operating a DTV facility for WTTV on channel 53 pursuant to a low-power STA. See FCC File No. BEDSTA-20030911ACI.

For the foregoing reasons, it is respectfully requested that the proposed change to the DTV Table of Allotments be adopted.

Respectfully submitted,

Tribune Broadcast Holdings, Inc.
